

# Annual Programme 2020

Status: 1.3.2021

Dear Visitors: The present situation is very demanding for all of us. Unfortunately we are at the moment therefore not in a position to offer you a full calendar of events for this year. This means that the planned programme is not yet complete. At present we are also not able to guarantee that the events indicated will be able to take place. We will continuously update the programme as appropriate.

**Keep us in mind and above all stay healthy!**
